INTERSTATE COMMERCE COMMISSION

ASSIGNMENT OF LEASE AND AGREEMENT dated as of May 15, 1977 (hereinafter called this Assignment), by and between FIRST SECURITY STATE BANK, not in its individual capacity but solely as Trustee (hereinafter, together with its successors and assigns, called the Owner-Trustee) under a Trust Agreement dated as of the date hereof, with PACIFIC SYSTEMS, INC. (hereinafter called the Owner), and FIRST SECURITY BANK OF UTAH, National Association, not in its individual capacity but solely as Trustee (hereinafter, together with its successors and assigns, called the Trustee).

WHEREAS the Owner-Trustee and the Trustee have entered into an Equipment Trust Agreement dated as of the date hereof (hereinafter, together with any amendments and supplements thereto, being called the Security Document);

WHEREAS the Owner-Trustee and SSI Rail Corp. (hereinafter called the Lessee) have entered into a Lease of Railroad Equipment dated as of the date hereof (hereinafter, together with any amendments and supplements thereto, called the Lease), providing for the leasing by the Owner-Trustee to the Lessee of certain units of railroad equipment (hereinafter called the Units);

WHEREAS ITTEL Corporation (hereinafter called the Guarantor) has entered into a Guaranty Agreement dated as of the date hereof (hereinafter called the Guaranty Agreement) with the Owner-Trustee, pursuant to which the Guarantor guarantees, inter alia, the observance, payment and performance of certain covenants, obligations and agreements of the Lessee under the Lease; and

WHEREAS, in order to provide security for the obligations of the Owner-Trustee under the Security Document and as an inducement to the Purchasers referred to in the Security Document (hereinafter called the Purchasers) to purchase the Equipment Trust Certificates to be issued pursuant to the Security Document (hereinafter called the Equipment Trust Certificates), the Owner-Trustee agrees to assign for security purposes its rights in, to and under the Lease and the Guaranty Agreement insofar as the Guaranty Agreement provides a guaranty of the observance, payment and performance of the

Lessee's covenants, obligations and agreements under the Lease;

NOW, THEREFORE, in consideration of the payments to be made and the covenants hereinafter mentioned to be kept and performed, the parties hereto agree as follows:

1. Subject to the provisions of Paragraph 10 hereof, the Owner-Trustee hereby assigns, transfers and sets over unto the Trustee, as collateral security for the payment and performance of the Owner-Trustee's obligations under the Security Document, all the Owner-Trustee's right, title and interest, powers, privileges, and other benefits under the Lease and the Guaranty Agreement insofar as the Guaranty Agreement provides a guaranty of the observance, payment and performance of the Lessee's covenants, obligations and agreements under the Lease, including, without limitation, the immediate right to receive and collect all rentals, profits and other sums payable to or receivable by the Owner-Trustee from the Lessee or the Guarantor under or pursuant to the provisions of the Lease or the Guaranty Agreement, whether as rent, casualty payment, indemnity (except sums which by the express terms of the Lease are payable directly to the Owner or Owner-Trustee pursuant to § 6 and § 9 of the Lease), liquidated damages, or otherwise (such moneys being hereinafter called the Payments), and the right to make all waivers and agreements, to give all notices, consents and releases, to take all action upon the happening of an Event of Default specified in the Lease, and to do any and all other things whatsoever which the Owner-Trustee is or may become entitled to do under the Lease or the Guaranty Agreement. In furtherance of the foregoing assignment, the Owner-Trustee hereby irrevocably authorizes and empowers the Trustee in its own name, or in the name of its nominee, or in the name of the Owner-Trustee or as its attorney, to ask, demand, sue for, collect and receive any and all Payments to which the Owner-Trustee is or may become entitled under the Lease or the Guaranty Agreement, and to enforce compliance by the Lessee or the Guarantor with all the terms and provisions thereof.

The Trustee agrees to accept any Payments made by the Lessee or the Guarantor for the account of the Owner-Trustee pursuant to the Lease or the Guaranty Agreement. To the extent received, the Trustee will apply such Payments to satisfy the obligations of the Owner-Trustee under the Security Document due and payable on the date such Payments

were due and payable under the Lease or the Guaranty Agreement, and any balance held by the Trustee hereunder for the account of the Owner-Trustee shall be deemed to be held in trust for the Owner-Trustee and shall be paid immediately to and retained by the Owner-Trustee. If the Trustee shall not receive any rental payment under the first paragraph of § 3 of the Lease or any payment of Casualty Values under § 7 of the Lease when due, the Trustee shall promptly notify the Owner-Trustee by telegraphic communication at the address set forth in the Lease. Failure to so notify the Owner-Trustee shall not affect the rights and remedies of the Trustee hereunder or under the Security Document.

2. This Assignment is executed only as security for the obligations of the Owner-Trustee under the Security Document and, therefore, the execution and delivery of this Assignment shall not subject the Trustee to, or transfer, or pass, or in any way affect or modify the liability of the Owner-Trustee under the Lease or the Guaranty Agreement, it being understood and agreed that notwithstanding this Assignment or any subsequent assignment, all obligations of the Owner-Trustee to the Lessee or the Guarantor shall be and remain enforceable by the Lessee or the Guarantor, its successors and assigns, against, and only against, the Owner-Trustee or persons other than the Trustee.

3. To protect the security afforded by this Assignment, the Owner-Trustee agrees as follows:

(a) The Owner-Trustee will faithfully abide by, perform and discharge each and every obligation, covenant and agreement which the Lease or the Guaranty Agreement provides are to be performed by the Owner-Trustee; without the written consent of the Trustee, the Owner-Trustee will not anticipate the rents under the Lease or waive, excuse, condone, forgive or in any manner release or discharge the Lessee thereunder or the Guarantor under the Guaranty Agreement, of or from the obligations, covenants, conditions and agreements to be performed by the Lessee or the Guarantor which are intended to satisfy the obligations of the Owner-Trustee under the Security Document, including, without limitation, the obligation to make the payments in the manner and at the time and place specified therein or enter into any agreement so amending, modifying or terminating the Lease or the Guaranty Agreement, and the Owner-Trustee agrees that any such amendment, modification or termination thereof without such consent shall be void.

(b) Should the Owner-Trustee fail to make any payment or to do any act which this Assignment requires the Owner-Trustee to make or do, then the Trustee, but without obligation so to do, after first making written demand upon the Owner-Trustee and affording the Owner-Trustee a reasonable period of time within which to make such payment or do such act, but without releasing the Owner-Trustee from any obligation hereunder, may make or do the same in such manner and to such extent as the Trustee may deem necessary to protect the security provided hereby, including specifically, without limiting its general powers, the right to appear in and defend any action or proceeding purporting to affect the security hereof and the rights or powers of the Trustee, and also the right to perform and discharge each and every obligation, covenant and agreement of the Owner-Trustee contained in the Lease and the Guaranty Agreement; and in exercising any such powers, the Trustee may pay necessary costs and expenses, employ counsel and incur and pay reasonable attorneys' fees, and the Owner-Trustee will reimburse the Trustee for such costs, expenses and fees; provided, however, that the obligations of the Owner-Trustee to make reimbursements under this Paragraph 3 are subject to the last paragraph of Section 4.04 of the Security Document.

4. Subject to the provisions of Paragraph 10 hereof, the Owner-Trustee does hereby constitute the Trustee the Owner-Trustee's true and lawful attorney, irrevocably, with full power (in the name of the Owner-Trustee, or otherwise), to demand, receive, compound and give acquittance for any and all Payments due and to become due under or arising out of the Lease or the Guaranty Agreement, to which the Owner-Trustee is or may become entitled, to enforce compliance by the Lessee and the Guarantor with all the terms and provisions of the Lease and the Guaranty Agreement, respectively, to endorse any checks or other instruments or orders in connection therewith and to file any claims or take any action or institute any proceedings which the Trustee may deem to be necessary or advisable in the premises.

5. Upon the full discharge and satisfaction of all the Owner-Trustee's obligations under the Security Document, this Assignment and all rights herein assigned to the Trustee shall terminate, and all estate, right, title and interest of the Trustee in and to the Lease and the Guaranty Agreement shall revert to the Owner-Trustee without further act or deed, but the Trustee shall execute and deliver such documents as the Owner-Trustee may reasonably request in order to confirm, or make clear upon public records, such termination and/or reversion.

6. The Owner-Trustee will, from time to time, do and perform any other act and will execute, acknowledge, and deliver any and all further instruments required by law or reasonably requested by the Trustee in order to confirm or further assure, the interests of the Trustee hereunder.

7. The Trustee may assign all or any of the rights assigned to it hereby or arising under the Lease or the Guaranty Agreement, including, without limitation, the right to receive any Payments due or to become due. In the event of any such assignment, any such subsequent or successive assignee or assignees shall, to the extent of such assignment, enjoy all the rights and privileges and be subject to all the obligations of the Trustee hereunder. The Trustee will give written notice to the Owner-Trustee, the Lessee and the Guarantor of any such assignment.

8. This Assignment shall be governed by the laws of the State of Utah, but the parties hereto shall be entitled to all rights conferred by Section 20c of the Interstate Commerce Act.

9. The Owner-Trustee shall cause copies of all notices received in connection with the Lease and the Guaranty Agreement and all Payments to be promptly delivered or made to the Trustee at its address set forth in Section 9.05 of the Security Document, or at such other address as the Trustee shall designate.

10. The Trustee hereby agrees with the Owner-Trustee that, so long as no Event of Default, or any event which with lapse of time or notice or both would constitute such an Event of Default, under the Security Document has occurred and is then continuing, the Trustee will not exercise or enforce, or seek to exercise or enforce, or avail itself of, any of the rights, powers, privileges, authorizations or benefits assigned and transferred by the Owner-Trustee to the Trustee by this Assignment, except the right to receive and apply the Payments as provided in Paragraph 1 hereof, and that, subject to the terms of the Lease and the Security Document, the Owner-Trustee may, so long as no Event of Default under the Security Document has occurred and is then continuing, exercise or enforce, or seek to exercise or enforce, its rights, powers, privileges, and remedies arising out of subparagraph (a) of the first paragraph of § 10 of the Lease; provided, however, the Owner-Trustee shall not, without the prior written consent of the Trustee, terminate the Lease or otherwise exercise or enforce, or seek to exercise or enforce, any rights, powers, privileges and remedies arising out of subparagraph (b) of said § 10.

11. No recourse shall be had in respect of any obligation due under this Assignment, or referred to herein, against any incorporator, stockholder, director or officer, as such, past, present or future, of the Owner-Trustee, the Trustee, any holder of the Equipment Trust Certificates or the Owner, whether by virtue of any constitutional provision, statute or rule of law or by enforcement of any assessment or penalty or otherwise, all such liability, whether at common law, in equity, by any constitutional provision, statute or otherwise, of incorporators, stockholders, directors, officers, as such, or beneficiaries being forever released as a condition of and as consideration for the execution of this Assignment.

IN WITNESS WHEREOF, the parties hereto have caused this instrument to be executed in their respective names, by officers thereunto duly authorized, and their respective seals to be hereunder affixed and duly attested, all as of the date first above written.
